BlinC is a module based soft seating system designed for commercial, public and hotel reception use. The product line consists of 3 simple elements allowing for multiple configurations. Blinc is smooth and elegant in appearance with a solid wood structure inside a luxuriously upholstered soft exterior that provides support even during long periods of sitting.

Detail:

- 1 – Polyurethane foam cushions
- 2 – Commercial wood frame
- 3 – Floor glides
- 4 – Elastic strip suspension seat
- 5 – Locally upholstered in any fabric
