CH0022

Creative

CH0022

CH0022 has an interesting, mushroom-like shape, creating emphasis in your office with various pop colors, and provides relaxation with its rocking base, comfortable seat cushion and rotation function.

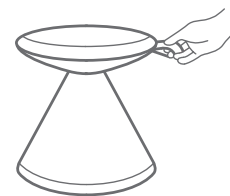

Designed by
Claudio Bellini

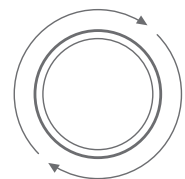

CH0022 series

CH0022, setting lively and playful mood in office

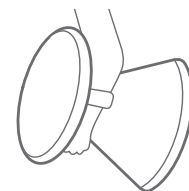

CH0022 is made of comfortable seat cushion with body that strongly supports the seat. Its rocking base, moving back and forth, allows high movement capability as well as casual interactions in office.

Moving handle

360-degree swivel

Mobility

CH0022 series
