

Gen-A

Bench series

GEN-A is a system of Benches, Desks and tables. The end legs are based on a simple “A” Shape aesthetic with beautifully finished details and carefully selected materials, the range is designed to offer a wide variety of combinations in width, height and length.

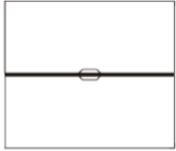

The steel construction can be finished in white, black or customer specific powder coat as well as with end legs with a real Ash wood leg insert. Screen options include full fabric wrapped, Perspex blades on a track or Slimline aluminium framed screens with laminated or veneer work surfaces.
