About Diami.

Diami is an Australian owned wholesale manufacturing business that has been designing and producing quality commercial furnishing products since 1995.

Operating out of Sydney, diami is one of Australia's largest suppliers of seating products to the Corporate, Government, Education, Architectural & design markets through a network of dealers and sales offices throughout Australia and New Zealand.

At diami we believe that a work environment influences the way we feel, so we have made it our mission to ensure that our furniture inspires, motivates and stimulates while offering complete user comfort, performance and good health. We have a dynamic approach to furniture design delivering uplifting environments and happy places to work. We are a modern active company and are proud of our products and role in society.
